

# READ, RENEW, REPEAT

Join us for the Navy MWR Libraries' Summer Reading Program!

June 17-August 16

[elcentro.beanstack.org](http://elcentro.beanstack.org)

**Introducing 'Read, Renew, Repeat': our summer reading program focused on conservation, with all activities hosted in Building 202 and materials provided while supplies last.**

## Summer Reading Kickoff

**June 17 · 3PM**

Join us for our Summer Reading Kickoff event, packed with book recommendations, fun activities, and excitement to jumpstart your summer reading adventure!

## Endangered Animal Scavenger Hunt

**Duration of Reading Program**

Embark on an educational and adventurous Endangered Animal Scavenger Hunt, where participants search for clues and learn fascinating facts about at-risk species. Pick up your check list and visit various MWR facilities to find each animal card. Return the completed card to be entered into a raffle!

## Be a Superhero! Save the Planet

**June 20 · 3PM**

Unleash your creativity as you craft a superhero-themed comic spotlighting an endangered animal of your choosing!

## Coloring Crea-tea-vity Program

**June 25 · 3PM**

Indulge in a tranquil blend of creativity and relaxation with our Coloring Crea-tea-vity Program, where participants can enjoy the therapeutic benefits of coloring accompanied by a soothing cup of tea.

## Craft Chopped

**June 27 · 3PM**

Craft Chopped challenges participants to create unique, imaginative crafts using surprise materials within a limited time frame, fostering creativity and resourcefulness.

## Owl Pellets

**July 2 · 3PM**

Come dissect owl pellets to investigate and identify the skeletal remains of the owl's prey, providing insights into the owl's diet and local ecosystem.

## Get Outside Photo Challenge

**Week of July 8-12**

Embark on a journey through nature's wonders with our Get Outside Photo Challenge, inviting you to capture the beauty of the great outdoors and submit your best shots to the Navy Life Naval Air Facility El Centro Facebook page for a chance to win a coveted gift card prize while inspiring fellow nature enthusiasts.

## Paint and Plant

**July 11 · 3PM**

Engage in a creative and eco-friendly Paint and Plant activity where participants decorate pots with vibrant designs before planting a variety of seeds or seedlings in them.

# READ, RENEW, REPEAT

Join us for the Navy MWR Libraries' Summer Reading Program!

June 17-August 16

[elcentro.beanstack.org](http://elcentro.beanstack.org)

**Introducing 'Read, Renew, Repeat': our summer reading program focused on conservation, with all activities hosted in Building 202 and materials provided while supplies last.**

## Underwater Scene Suncatcher

**July 16 · 3PM**

Create a vibrant underwater scene suncatcher by arranging colorful tissue paper and sea-themed shapes on a sticky plastic sheet, then hanging it in a sunny window to catch the light.

## Storytime Science: Wonder Water

**July 18 · 3PM**

Explore the wonders of water through fun and engaging experiments that demonstrate its unique properties and essential role in our world during Storytime Science: Wonder Water!

## Button, Beads, and Bottle Cap Mosaic

**July 23 · 3PM**

Create a vibrant mosaic by gluing colorful buttons, beads, and bottle caps onto a sturdy backing to form unique patterns and designs.

## Crayon Butterfly

**July 25 · 3PM**

The Crayon Butterfly activity involves melting crayon shavings between sheets of wax paper and cutting out butterfly shapes to create vibrant stained glass-like decorations.

## Paper Plate Jellyfish

**July 30 · 3PM**

Create whimsical paper plate jellyfish by decorating paper plates with colorful tissue paper tentacles, googly eyes, and string for hanging

## Recycled Monster Craft

**August 1 · 3PM**

Create quirky monsters by repurposing household items like empty toilet paper rolls, old buttons, and scraps of fabric in this fun Recycled Monster Craft activity!

## Stuart Little's House Dioramas

**August 6 · 3PM**

Create whimsical dioramas depicting scenes from Stuart Little's adventures in his tiny house, sparking creativity and imagination in children as they bring the charming world of literature to life on a miniature scale.

## Beekeeping Presentation

Join us for a captivating presentation on beekeeping, exploring the intricate world of honeybees, their vital role in ecosystems, and practical insights into sustainable beekeeping practices.

## End of Summer Reading Ceremony

**August 16 · 3PM**

Join us for the End of Summer Reading Ceremony featuring awards and a special movie screening!
